

## 1. Cleanser

Gentle, thorough, and moisturizing facial cleanser

Specially formulated for normal to dry and sensitive skin

Helps promote smooth skin and a more even complexion

## 2. Toner

Blemish controlling toner

Helps normalize the pH-balance of the skin and regulate oil gland secretion

## 3. Hyaluronic Acid & Collagen Serum

Anti-aging and skin repairing facial treatment

Helps increase collagen and elastin production

## 4. Day: Collagen Cream

Emollient, nourishing, treatment cream

Helps preserve and improve skin elasticity and tightness, as well as diminish wrinkles and age lines

## 5. Night: Placental Cream

Luxurious, regenerating, and anti-wrinkle night cream

Effectively helps diminish wrinkles and age lines, calm inflammation, and refine pores

## 6. Skin Brightener

Prevents moisture loss while helping to brighten skin
